

Technical drawing of a rectangular box with a circular lid. The drawing shows the box from a top-down perspective, with the lid open. The lid is circular and has a central circular hole. The box is rectangular and has a lid that fits over the top. The drawing includes various dimension lines and labels (A through Z) indicating the size and proportions of the box and lid. The lid is shown in an open position, revealing the interior of the box. The box has a flat bottom and vertical sides. The lid has a flat top and a circular shape. The central hole in the lid is a small circle. The drawing is a technical illustration, likely for a patent or a product specification.
